#### **Reception Party, 16-03-2014**

After the selection process and the announcement of the final results, AMA Access Tahla teachers invited the selected students and their parents to Tahla Junior High School for a reception party. The party was also attended by the school principal and other teachers. After welcoming the attendees, Mr. Mhamed Amghar, the school principal, gave a keynote speech in which he stressed the role of English language in our modern world and the need to study this language for future generations. Then, AMA Access Tahla coordinator Mr. Youssef El Kaidi gave a presentation in Arabic that shed light on the Association of Moroccan Alumni (AMA) and Access Microscholarship program. Mr. El Kaidi, thus, talked about AMA, its history, objectives, activities and partnerships. Also, a general overview of Access program was introduced with a special focus on the selection process and the criteria for choosing students. It was stated clearly that Access is a program for students from underprivileged families. After the presentation, parents took the floor to ask questions on the program. The meeting concluded with a small tea party in honor of the attendees.
